

YORKSHIRE DALES NATIONAL PARK AUTHORITY

(TEMPORARY PROHIBITION OF ALL TRAFFIC)

**(FOOTPATH NO. 20 & BRIDLEWAY NO. 20 (PART), AUSTWICK)
ORDER 2010 NO. 3**

Road Traffic Regulation Act 1984 – Section 14(1) (as amended)

Notice is hereby given that the Yorkshire Dales National Park Authority has made an Order, the effect of which is to prohibit any traffic from proceeding along Footpath No. 20 and part of Bridleway No. 20 from point of closure at Grid Reference SD 8016 6951 for approximately 215 metres to Grid Reference SD 8008 6970 in the Parish of Austwick, in the District of Craven from 3 June 2010 until 2 December 2010 inclusive.

The closure will be put into effect when necessary by means of the erection of notices and signs. It is envisaged that the works will be undertaken within ten weeks.

The Order is necessary because works are being executed on or near the road namely re-profiling of the storage bunds at Dry Rigg Quarry.

The alternative route to be used during the closure period will be as follows:-

From point of closure at SD 8016 6951 proceed east to parish boundary and continue on Bridleway No. 34 east and south, then west and south to the Austwick road. Follow Austwick Road east and then north-east for approximately 850 metres towards Helwith Bridge. At Grid Reference SD 8104 6950, follow the minor road* leading off Austwick Road (immediately before Helwith Bridge Hotel), north for approximately 150 metres. At Grid Reference SD 8099 6966, follow the way-marked Footpath No. 44 west then north-west for approximately 650 metres to Foredale. At Grid Reference SD8039 6997 follow the way-marked Footpath No. 19 south-west for approximately 550 metres to arrive at the northern point of closure at Grid Reference SD 8009 6970 and return.

(*Note: this road is narrow and frequently used by heavy goods vehicles: as an alternative to avoid the traffic, proceed approximately 50 metres further to the east along Austwick Road to the way-marked footpath at Grid Reference SD8110 6953: follow the footpath northwest for approximately 150 metres to arrive at Grid Reference SD 8099 6966 and then proceed as above)

Dated 3 June, 2010
