Hawes to Wensleydale Creamery

Route type: For some. This 0.5km linear public footpath follows the Pennine Way from the church in Hawes to the Wensleydale Creamery - OS Explorer Map OL30

Distance: 0.75km (each way)

Start point: SD875898

Turning point: SD870895

Facilities: The nearest public toilets, including RADAR facility toilets, are in the Hawes National Park car park. Normal charges apply.

There are public parking facilities – including nine designated bays for blue badge holders - in the Hawes National Park car park. There is a further pay and display car park in the town centre. Normal charges apply.

Getting there: Car: When arriving into Hawes on the A684 from the Leyburn direction (east), the Hawes National Park car park is on the right-hand side.

The Route

Starting at the car park, follow the road through Hawes, crossing Gayle Beck. After approximately 60m from the bridge, turn left up the cobbled footpath signposted to Gayle. The next 70m of this route are cobbled with a gradient of 1:7. After this point, the footpath levels out with some slight gradients up to 1:10. Most of the length is constructed of stone flags at a width of 100cm. There is a rest area halfway along the route.
