| |
|---|
| 4. Proposed works |
| Please provide a full description of the proposed works |

5. If felling is proposed, is a replacement tree(s) proposed?

Yes No

6. Reasons for proposed works

7. Use this space below to provide a sketch plan which is sufficiently accurate to identify the tree(s) and to identify the location of the land on which the trees stand.

Alternatively provide an OS map or sketch plan on a separate sheet of paper.

8. Signed:

On behalf of: Date:

The National Park Authority are required to respond to your request within a statutory period from the date we receive your application: usually 8 weeks for planning conditions; 6 weeks for trees in Conservation Areas, although we expect to respond earlier.

Please note that any person undertaking work to protected trees without consent is liable to prosecution.
