Astronomer Contacts

1. Neill Sanders

Email: team@gostargazing.co.uk

Neill is the founder of Go Stargazing. He organises amazing Star Camps and is great with children. He also has a planetarium.

2. Richard Darn

Email: richard@richarddarn.com

Richard is able to simplify the most complex dark skies phenomenon. He is a fantastic presenter and makes his talks very interactive. He is very engaging with children.

3. Martin Whipp and Chris Higgins

Email: limetreeobservatory@gmail.com

Martin and Chris, from the Lime Tree Observatory in Ripon, are extremely knowledgeable astro-enthusiasts that lead stargazing events.

4. Pete Collins

Email: info@diamond-skies.co.uk

Pete Collins @diamondskies presents talks on nightscape imaging for budding night-time photographers and astronomy groups.

5. Gary Lintern

(Get in touch, below, for contact details)

Gary runs a photography and stargazing tour company focussing on online experiences and offers subject-specific training for tour guides and accommodation providers, such as night-time photography workshops.

For other astronomy contacts please get in touch at tourism@yorkshiredales.org.uk

Astronomy Groups

- Harrogate Astronomical Society
- Reeth Informal Astronomy Group
