KEY TO DESIGNATIONS SHOWN ON LOCAL PLAN POLICIES MAPS

LARGE AREA MAPS – ECOLOGICAL NETWORKS		
Colour/pattern	**Description**	**Relevant policy**
	Inset map locations	N/A
	Ecological networks (core area)	NE1 – Protecting Wildlife Sites, Species and Networks
	Ecological networks (stepping stone area)	
	Ecological networks (isolated habitat fragment)	
	Ecological networks (important associated habitat)	
	Ecological networks (protected buffer)	
	Ecological networks (land corridor)	

LARGE AREA MAPS – OTHER DESIGNATIONS		
Colour/pattern	**Description**	**Relevant policy**
	Inset (settlement) map locations	N/A
	Open upland	L4 – The Open Upland
	Sandstone mineral safeguarding area	L5 – Mineral safeguarding
	Limestone mineral safeguarding area	
	Barns & walls Conservation Area	AB1 – Heritage assets
	Settle-Carlisle Railway Conservation Area	AB1 – Heritage assets
	Protected railway routes	AC4 – Development within railway corridors
	Bolton Abbey Core Visitor Area	E12 - Bolton Abbey Core Visitor Area

INSET MAPS		
Colour/pattern	**Description**	**Relevant policy**
	Housing development sites	C1 – Housing in towns and large villages
	Housing footprint	C1 – Housing in towns and large villages (sites THR4/5 & THR8 only)
	Village or town Conservation Area	AB1 – Heritage assets
	Barns & walls Conservation Area	
	Settle-Carlisle Railway Conservation Area	
	High Street Frontages	E4 – High street and retail uses
	Business development sites	E1 – Business development sites
	Important Open Space	C9 – Important open space
	Protected railway routes	AC4 – Development within railway corridors
	Local Service Centre boundary	CP3 – Spatial strategy and housing target C1 – Housing in towns and large villages
	Service village boundary	CP3 – Spatial strategy and housing target C1 – Housing in towns and large villages
	Small settlement boundary	CP3 – Spatial strategy and housing target C2 – New build housing in small settlements
