Yorkshire Dales National Park Authority **Item 8c**

24 June 2025

Appointment of Member Champion for Natural Environment.

Purpose of report

1. To appoint a Member to the role of Member Champion for Natural Environment for a period of 3 years.

Recommendation

2. That Members consider the application at the attached **Appendix**.

Background

3. Mr Corner was the only Member who registered an interest in the role of Member Champion for Natural Environment. His expression of interest is **attached**.

David Butterworth
Chief Executive

Appendix

Member Champion – Natural Environment Mark Corner

Having served for 3 years in this role, and my term having come to an end, I am happy to continue for a further period if Members are supportive.

I have enjoyed the role and believe that I have been an active and effective Member Champion in an area I am very interested in. Addressing nature recovery and climate change are key elements of the National Park Management Plan and I would welcome the opportunity to support the Authority in making progress in delivering our ambitious objectives, albeit in a challenging political context.

Mark Corner
