NOTICE OF DEDICATION OF A PUBLIC BRIDLEWAY AND A PUBLIC FOOTPATH

BRIDLEWAY NO. 26 in the PARISH OF BUCKDEN
at High and Low Green Field, Beckermonds, Langstrothdale

and

FOOTPATH NO. 25 in the PARISH OF BUCKDEN
at Low Green Field Lings, Beckermonds, Langstrothdale

Take notice that by Deed dated the 31 March, 2017, the rights of way described below at High and Low Green Field, Beckermonds, Langstrothdale, Buckden, North Yorkshire have been dedicated for use by the public as Bridleway and Footpath.

The effect of the dedication for Bridleway No. 26, Buckden is to create a new route from the county road, east of Low Green Field at Grid Reference SD 8507 8022, to a bridle-gate and along the track in an east, north easterly direction for approx. 1km to the junction of a footpath at GR SD 8605 8048, continuing along the track north, north east before bearing westerly along Beckermonds Scar to its junction with Footpath No. 25 at GR SD 8386 8038 and continuing south westerly for approx. 2.4 km crossing another footpath and following the track south, south easterly to join the Byways at Grid Reference SD 8226 7843. Approximate length 6.9 km.

The effect of the dedication for Footpath No. 25, Buckden is to create a new route from its junction with Bridleway No. 26, Buckden, on the track at Grid Reference SD 8386 8038 west, north west to a kissing gate at GR SD 8337 8053 and its junction with the Parish Boundary and Footpath No. 3, Horton-in-Ribblesdale at Grid Reference SD 8336 8054. Approximate length 0.5 km.

NOTICE OF DEDICATION OF A PUBLIC BRIDLEWAY AND A PUBLIC FOOTPATH

BRIDLEWAY NOS. 74 & 75 and FOOTPATH NO. 76
in the PARISH OF HORTON-IN-RIBBLESDALE
at Cam Woodlands, Oughtershaw
and
BRIDLEWAY NOS. 27 & 28 in the PARISH OF BUCKDEN
at High Green Field Lings, Beckermonds, Langstrothdale

Take notice that by Deed dated the 21 May, 2021, the rights of way described below at Cam Woodlands, Oughtershaw, Horton-in-Ribblesdale and High Green Field Lings, Beckermonds, Langstrothdale, Buckden, North Yorkshire have been dedicated for use by the public as Bridleway and Footpath.

The effect of the dedication for Bridleway No. 74, Horton-in-Ribblesdale is to create a new route from the Restricted Byway at West Gate, at Grid Reference SD 8105 8134 through a bridle-gate and continuing in an east, north east direction for approx. 500 metres before bearing south, south east following the track for approx. 360 metres then turning east, north east for approx. 350 metres, continuing along the track in a southerly direction, crossing Cam Beck at GR SD 8190 8111 and remaining on the track south, south easterly for a further 840 metres approx. before the track curves east, north east to its junction with Footpath No. 76 at GR SD 8283 8057, following the track south, south east to its junction with Bridleway No. 75 at GR SD 8293 8037 and south to the Parish Boundary and junction with Bridleway Nos. 27 and 28 at Grid Reference SD 8296 8021. Approximate Length: 3.45 km

The effect of the dedication for Bridleway No. 75, Horton-in-Ribblesdale is to create a new route from Bridleway No. 74, at Grid Reference SD 8293 8037 north east for approx. 25 metres to GR SD 8295 8039 and turning in a southerly direction to the Parish Boundary and junction with Bridleway No. 28 at Grid Reference SD 8298 8023. Approximate Length: 0.195 km

The effect of the dedication for Footpath No. 76, Horton-in-Ribblesdale is to create a new route from its junction with Bridleway No. 74, on the track at Grid Reference SD 8283 8057 passing to the southern side of the pond and bearing north east for approx. 80 metres before bearing northerly to join an existing Footpath at Grid Reference SD 8287 8073. Approximate Length: 0.184 km

The effect of the dedication for Bridleway No. 27, Buckden is to create a new route from its junction with Bridleway Nos. 74 and 28, at the Parish Boundary at Grid Reference SD 8296 8021 following the track in a south westerly direction to join Bridleway No. 26 at Grid Reference SD 8258 7965. Approximate Length: 0.700 km

The effect of the dedication for Bridleway No. 28, Buckden is to create a new route from its junction with Bridleway Nos. 74 and 27, at the Parish Boundary at Grid Reference SD 8296 8021 north east for approx. 30 metres to its junction with Bridleway No. 75 at the Parish Boundary at GR SD 8298 8023 and bearing south, south easterly to join Bridleway No. 26 at Grid Reference SD 8307 7989. Approximate Length: 0.385 km
