Report: SCHEME OF MEMBERS' ALLOWANCES 2021/22

Purpose of the report

1. To recommend the adoption of the Scheme of Members' Allowances for 2021/22, including adopting a new Dependents' Carers' Allowance.

RECOMMENDATION

2. That the attached Scheme of Members' Allowances be adopted for 2021/22.

Strategic Planning Framework

3. The information and recommendation contained in this report is consistent with the Authority's statutory purposes and its approved strategic planning framework.
 - **Corporate Plan Objective 34:** *Plan and manage the Authority's work so as to make the most effective use of our resources.*

Background

4. The current version of the Scheme of Members' Allowances was adopted by the Authority in 2011. The Scheme is approved annually. The table below shows the current Basic Allowance and Special Responsibility Allowances available to Members, with effect from 1 April 2020.

	Annual allowance From 1 April 2020
Basic Allowance [BA] (available to all Members)	£3,268
Special Responsibility Allowance [SRA]	
◆ Chair of the Authority (BA x 2)	£6,536
◆ Deputy Chair of the Authority (BA x 0.5)	£1,634
◆ Chair of the Planning Committee (BA x 0.75)	£2,451
◆ Deputy Chair of the Planning Committee (BA x 0.4)	£1,307

5. Before the beginning of each financial year, the Authority must 'make a scheme' for the payment of BA for that year. The scheme must also make provision for other allowances, if the Authority intends to pay them - SRA; see above and travelling and subsistence allowance. From 2021-22 it is proposed that the Authority adopt a new allowance – Dependents' Carers' allowance (DCA).

6. Before a National Park Authority makes or amends a scheme, it must have regard to the recommendations made by any Independent Remuneration Panels (IRPs) of any District or County Councils which nominate Members to the Authority. The following table shows those IRPs which have made recommendations since March 2020 and a very brief summary of their recommendations. The full reports are available from the relevant Local Authority websites.

Local Authority	Date of IRP report	Recommendation(s)
Cumbria County Council	October 2020	Recommended no change to BA and SRA, change to Dependents' Carers' Allowance in line with national minimum wage increase.
Lancaster City Council	February 2021	Recommended increase in line with pay awards
North Yorkshire County Council	December 2020	Recommended no increase 2021-22 due to public sector pay freeze and financial pressures
Richmondshire District Council	November 2020	Recommended a significant increase in allowances of 44% for BA and up to 57% for SRAs. Reasons included – they had not been increased since 2010, they were felt to be out of step with other comparable local authorities, to ensure fairness, and to take into account the Council's significant reduction in Members. [The IRP's recommendations were rejected by Council, who voted for the allowances to remain the same.]
South Lakeland District Council	November 2020	Recommended increasing the BA in line with public sector pay awards over the next 4 years

Members are also advised of these previous IRP reports and their recommendations from the following Local Authorities:

- Craven District Council (December 2019) which at the time recommended an increase to take into account public sector pay increases since the previous report in 2015;
 - Eden District Council (2017) which also recommended an uplift of allowances, and that these be increased each year in line with public sector pay awards.
 - Lancashire County Council consults its IRP as and when required. There was no consultation this year. (The Council agreed to increase allowances in line with any public sector pay award).
7. In 2011, the Authority adopted a policy tying any increases in the Basic and Special Responsibility Allowances to staff pay increases. This is detailed in the Scheme of Members' Allowances, paragraph 10.1: *'Rates of BA and SRA will be updated annually, in line with the percentage change applicable to SCP 28 of the National Local Government pay spine.'* Last year, Members' allowances were uplifted by 2.75%, in line with the National Pay Award.
8. Following the Government announcement of a pay freeze in 2021-22 across most of the public sector, we have not budgeted for any increase in staff pay in the coming

financial year. If this assumption is correct, then Members' Allowances are likely to remain at the same rate as currently. If a pay increase is agreed this will be back-dated to 1 April 2021.

9. Members will recall that travel and subsistence rates are also set at the same level as those paid to staff.

Dependents' Carers' Allowance

10. The Authority's Scheme has not previously included a Dependents' Carers' Allowance (DCA). As its name suggests, this type of allowance is intended to reimburse some of the expenses of arranging child or adult dependent care incurred by a Member when carrying out specified duties, such as attending meetings. Making provision for this new allowance is one small step in a wider initiative to encourage a greater diversity of Membership of the Authority. The suggested amendments to give effect to this proposal are shown in the scheme attached to this report.
11. Members should note that the Local Authorities (Members' Allowances) (England) Regulations 2003 give County and District Councils an express power to pay a DCA. The Regulations do **not** give this express power to English National Park Authorities (nor do they prohibit payment). The general competency power provided to English National Park Authorities (section 65A of the Environment Act 1995), provides the requisite legal power to provide such allowance.
12. Our constituent Local Authorities include a DCA in their Schemes, as does the Lake District National Park Authority. Three of the other National Park Authorities are considering introducing this, including the North York Moors. All Scottish and Welsh National Park Authorities, governed by different Regulations, have this as a standard allowance.

Conclusion

14. The recommendation is that the scheme (copy attached) be adopted for 2021/22, with the inclusion of the new Dependents' Carers' Allowance.

SCHEME OF MEMBERS' ALLOWANCES

Approved March 2021 for the financial year 2021/22

1. INTRODUCTION

1.1 As required by the Environment Act 1995 and the Local Authorities (Members' Allowances) (England) Regulations 2003, the National Park Authority, makes a scheme for the payment of allowances to Members. The scheme provides for payment of the following allowances:-

- ◆ **Basic Allowance** - payable to each Member;
- ◆ **Special Responsibility Allowance** - for certain Members in recompense for additional duties undertaken as a result of their holding of various positions within the Authority;
- ◆ **Dependents' Carers' Allowance** – payable for attendance at an “Approved Duty” [see **Appendix A**] and some “Special Responsibility Duties” as agreed by the National Park Authority (NPA);
- ◆ **Travel and Subsistence** - payable for attendance at an “Approved Duty” [see **Appendix A**] and for relevant “Special Responsibility Duties” as agreed by the NPA.

1.2 Details of the current rates for the various allowances referred to above are set out in **Appendix B**.

2. GENERAL POINTS

2.1 **A Member may choose to forego *all or any part of their entitlement to an allowance by giving written notice to the Chief Executive (National Park Officer).***

2.2 All enquiries relating to Members' allowances should be made to the Committees Officer, on:

- telephone no. 01969 652364, or
- email: Secretariat@yorkshiredales.org.uk .

3. BASIC ALLOWANCE (BA)

3.1 **BA is:-**

- ◆ payable to all Members, unless they elect to not receive the payment.
- ◆ payable in monthly instalments, in arrears and apportioned for part year entitlements, where the term of office of a Member begins or ends otherwise than at the beginning or end of a year. [As it is paid automatically, direct into a bank account, Members do not need to claim it.]
- ◆ subject to the deduction of Income Tax and National Insurance if necessary [see Paragraph 9.3].

3.2 **Definition of BA**

BA is payable in recognition of the time and resource devoted by Members to their work, including: dealing with correspondence; attendance at meetings; training, conferences and workshops, and incidental costs such as IT consumables, postage and private telephone use.

4. SPECIAL RESPONSIBILITY ALLOWANCE (SRA)

4.1 SRA is:-

- ◆ paid to Members who have specified special responsibilities, unless they elect not to receive payment.
- ◆ allocated on the basis of degree of responsibility and on the expected call on Members' time.
- ◆ paid monthly in arrears and apportioned for part year entitlements, where a Member does not have throughout the whole of a year any such special responsibilities as entitle him / her to an SRA.
- ◆ As determined by HMRC, is subject to the deduction of Income Tax and National Insurance.

4.2 A full list of the posts that receive **SRA** and the current rates payable is set out in **Appendix B**.

4.3 **SRA** is in recognition of the duties over and above those of a "normal" Member that relate to certain positions within the Authority, including: meetings with officers; dealing with correspondence; visits; meeting official Visitors to the National Park; official openings and familiarisation/fact finding visits.

4.4 **SRA** does **not** include an element for travel or subsistence. Claims for travel and subsistence **can**, therefore, be claimed for any duty that is covered by the payment of an **SRA**.

4.5 **SRA** does **not** include an element for payment of expenses of care for dependents. Members are expected to carry out some SRA duties (such as dealing with correspondence, research and reading), without having to organise external care. DCA will **not** be payable for these types of activity. DCA **can** be claimed for attending meetings and events, attended as part of the SRA duties.

5. DEPENDENTS' CARERS' ALLOWANCE (DCA)

5.1 Subject to paragraphs 5.2 and 5.3, **DCA** may be claimed where a Member arranges paid care in respect of named children aged 14 or under for whom the Member has parental responsibility, or in respect of other named dependents where there is medical or social evidence that care is required and for whom the Member is a carer.

5.2 Payment of DCA is:-

- ◆ claimable for any **approved duty**, and for attending meetings or events covered by a **special responsibility payment** (see also paragraph 4.5);
- ◆ payable for the duration of the meeting or event attended, plus travelling time to and from the meeting;
- ◆ paid on the basis of the actual expenditure incurred, subject to a maximum hourly rate and a maximum annual allowance, as specified in **Appendix B**;
- ◆ not payable where a Member already receives a carer's allowance from the Department for Works and Pensions;
- ◆ not payable where the care provided is by a parent of the dependent, a person who is part of the Member's household or someone under 16;
- ◆ claimed monthly on the Members' claim form.

5.3 All claims for DCA must be supported by receipts.

6. TRAVEL ALLOWANCE (TA)

6.1 TA is:-

- ◆ claimable for any **approved duty**, and for any duty covered by a **special responsibility payment**;
- ◆ claimed monthly on the Members' claim form;
- ◆ payable at the rates set out in **Appendix B**.

6.2 Notes

- ◆ **Train Fares** are reimbursed at **standard rate**
[NB - Members who regularly use the train for Authority business, and who are of State Retirement Age, may reclaim the cost of an appropriate Railcard.];
- ◆ If practicable, Members should use public transport and claim the fare(s) rather than the mileage allowance;
- ◆ Members should, wherever possible, share transport - an additional payment is payable for each passenger carried;
- ◆ Reimbursement of **Taxi Fares** may be made in exceptional circumstances;
- ◆ Reimbursement may be claimed for expenditure on **tolls, ferries, parking fees** etc.;
- ◆ Any Member who submits mileage claims for reimbursement must ask for and retain sufficient Value Added Tax (VAT) receipts for the purchase of fuel to support their claim. These receipts **must be retained by the Member** for six years. These procedures are necessary to enable the Authority to recover VAT from HM Revenue and Customs (HMRC) on reimbursement of mileage claims.

7. SUBSISTENCE ALLOWANCE (SA)

7.1 SA is:-

- ◆ claimable for any approved duty or **SRA** duty exceeding 4 hours which spans the agreed meal time periods;
- ◆ claimable for the actual cost of the meal (*) or the overnight expense up to the maximum allowed;
- ◆ claimable monthly via the Members' claim form; receipts should be submitted whenever possible, to support expenditure (*);
- ◆ **NOT** claimable when the Authority provides food for Members at meetings;
- ◆ reimbursed at the rates set out in **Appendix B** (*).

7.2 **Note:** * - all claims for subsistence must be supported by receipts.

8. NON CLAIMABLE DUTIES

8.1 For the avoidance of doubt, the following duties are **not** approved for the purpose of claiming Travel Allowances and Subsistence Allowances:-

- ◆ single Member duties (unless sanctioned by Yorkshire Dales National Park Authority);
- ◆ Parish Council meetings;
- ◆ attendance at a meeting of a committee, sub-committee, panel or working group of which you are **not** a Member, unless you have been specifically invited in advance by the Chair;

- ◆ outside bodies who pay expenses to Members;
- ◆ duties relating to outside bodies that are not committee, sub-committee or working group meetings (please see “Approved Duties” – Appendix A).

9. CLAIMS

9.1 How to Claim

- ◆ BA and SRA are paid automatically; monthly in arrears, direct into a bank account, after completion of initial details, and assuming a Member chooses to receive them.
- ◆ DCA, TA and SA must be claimed on the Members’ Claim Form for allowances.
- ◆ In order to assist with the monitoring of the budget, Members are requested to submit claims monthly, no matter how small. In order to try to ensure payment at the end of the following month, claims should be received by the Committees Officer (at the Bainbridge Office) at the latest by the 4th of the month following that claimed for. This allows all claims to be paid together on the last working day of that month.
- ◆ Claims should be submitted as soon as possible after the month end. If that is not possible, then they should be submitted within three months of a duty having been performed.
- ◆ A supply of claim forms can be obtained from the Committees Officer, or claims may be submitted electronically (in which case receipts obtained by Members for subsistence or other expenses should be retained by the Member for six years).
- ◆ Allowances must **not** be claimed where the Member is entitled to receive payment from another body.

9.2 Partial Year Entitlement

- ◆ A Member, who begins or ends a term of office or a SRA post during the course of the financial year, is entitled to an appropriate proportion of the BA or SRA for that year.

9.3 Tax and National Insurance

- ◆ BA, SRA and DCA are all taxable and are subject to national insurance, depending on individual circumstances.
- ◆ Members can request a PAYE code from HMRC for the taxing of payments. If no other tax code is supplied, Members will be taxed at basic rate.
- ◆ Members may be able to obtain an exemption for national insurance if they are over State Retirement Age upon proof of date of birth.

10. OTHER PROVISIONS

10.1 Annual Updates

- ◆ Rates of BA and SRA will be updated annually, in line with the percentage change applicable to SCP 28 of the National Local Government pay spine.
- ◆ Hourly rates of DCA will be updated annually, in line with the minimum living wage.

10.2 Repayment

- ◆ Where payment of any allowance has already been made in respect of any period during which the Member is not a Member of the Authority, or for any other reason not entitled to receive the allowance in respect of that period, the Authority may require repayment of such part of the allowance.
