Item 6

02	S/03/64C	**30a Main Street, Sedbergh, LA10 5BL**
	Local Highway Authority/Lead Local Flood Authority	We have no objection to the proposed development as it is considered that it will not have a material effect on existing highway conditions nor will it increase the flood risk on the site or elsewhere. Advisory statement - lack of on-site parking and amenity impact on local residents. The lack of off-street parking provided with the development will lead to additional demand for on-street parking in an area where there is existing pressure on spaces in the Residents Parking.

Richard Graham
Head of Development Management
